

Nature Camp Online 2020

“Bringing Camp Home”

CAMPER PARTICIPATION AGREEMENT

As Nature Camp moves to an online format this summer, one of our main goals is to continue upholding those values that make us who we are, such as providing an inclusive space where everyone can be themselves and explore their own curiosity. To do this, we have developed an agreement for all campers that outlines the expectations for appropriate behavior while participating in Nature Camp online. These rules will apply on all social media pages, in Zoom meetings, and in other Nature Camp affiliated activities.

As a camper, you will be expected to act in a manner that demonstrates *kindness, respect, inclusivity, and safety*.

As a participant in Nature Camp Online, I will:

1. Show compassion, seek to understand others, and leave space for every voice to be heard.
2. Do my best to maintain a safe space for myself and others by using positive, uplifting, and appropriate language.
3. Respect the opinions and identities of fellow campers and staff.
4. Practice proper Zoom etiquette by using my camera and microphone to make positive contributions to activities and remaining engaged while on calls.
5. Come in with an open mind, ready to learn, and remember that no question is a bad question.
6. Be mindful of the individual circumstances of both staff and fellow campers.
7. Not participate in any Nature Camp affiliated activity while under the influence of drugs, alcohol, or nicotine, in accordance with the Virginia Legal Code.
8. Reach out to my counselors or another trusted adult if I feel uncomfortable or upset in any way.

Additionally, I agree to follow simple online safety guidelines:

1. I will not share login information with anyone else.
2. I will not give out personal or private information, including that of my parents or guardians, fellow campers, and staff members, as well as my own.
3. I will not take or publicly share screenshots or videos of Online Camp.

I acknowledge that

- I have read and agree to the above requirements.
- If, at any time, my conduct is deemed inappropriate or if it jeopardizes the safety of other participants, I may be dismissed from the Nature Camp online program.
